## Principal Report

Dear Families,

What a glorious day!

I would like to thank the families who were available to help at last Saturday's referendum Sausage Sizzle. We made close to \$1100! Money raised will join with upcoming fundraising funds and go towards school murals.

Our Bunnings BBQ fundraising event is on Saturday 4<sup>th</sup> November at Coburg Bunnings. We will be selling Halal and Vegan sausages and we need some volunteers. I have volunteered at every Bunnings BBQ event and it is lots of fun and a great way to feel part of the Moomba Park Community. If you can spare a couple of hours, please click the link to volunteer

## **Fawkner Festa**

There will be a Moomba Park Primary School Stall at next Sunday's Fawkner Festa. We will have volunteer parents selling delicious cakes and speaking to other parents about why they send their children to Moomba Park. Please see the attached flyer if you would like to attend or support.

Our AMAZING choir will be performing at 1:40pm.

I look forward to seeing you then.

## **Class Placements 2024**

Shortly the teaching staff will be working through the rigorous process of regrouping and placing students into new grade for 2024. A number of considerations are made when determining new grades. These include:

- A balanced number of children in each grade
- A balanced number of boys and girls (enrolment dependent)
- A balanced number of academic, social and emotional needs.
- An appropriate mix of role models and leaders
- An appropriate placement of students with additional needs
- Friendships groups

All children are given the opportunity to write the names of friends with whom they would like to be in the same class. It is explained to the children that attempts will be made to place them with at least one other friend.

Teachers will spend a considerable amount of time working through this process. This will be followed up with transition sessions with the children whereby further adjustments and refinements will be made.

All teachers at Moomba Park Primary School are caring and committed educators and Moomba Park Primary School strives to ensure that all students are provided with a high-quality education.

Whilst we appreciate that you may wish that your child would benefit from being placed in a class with a particular teacher, we are generally unable to accommodate these requests. Our school's Principal Class team have an in-depth understanding of each teacher's strengths and will always endeavour to place our students with teachers who are best placed to suit their needs.

If you would like more information, please make a time to see me.

Have a wonderful weekend,

*Maria Marchionna*
