Principal Report

Dear Families

Last night we held the grade 1\2 BBQ and Grade 2 sleepover. The children participated in a range of activities, and it was pleasing to see the teachers enjoying themselves as much as the students. They all enjoyed a delicious Pizza dinner. At 8pm we said goodbye to the Grade 1 students, and the Grade 2s got their beds ready and settled down to watch Shrek. The students were up early, packed away their belongings and enjoyed some breakfast. I would like to thank Ms Laura, Ms Kate & Mr Boston for organising the event and for their enthusiasm and commitment to the children of Moomba Park.

Mangoes Mangoes Mangoes!

Our Mango fundraiser came to the end this week with the delivery of a staggering 135 boxes of Mangoes! We raised an incredible \$522!

Money raised will go towards our mural. Thank you to all who bought a box. I hope you enjoy them as much as I am enjoying mine!

Congratulations Ms Laura

Congratulations to Ms Laura who was nominated for the Primary School Maths Teacher Award. This morning at assembly she was presented with her certificate. Three years ago, Laura trained as a Primary Maths Specialist to learn the latest evidence-based practice and has since transformed the teaching and learning of Maths at our school. We have had many teachers from other schools visit to observe the teaching of maths at our school. Congratulations Laura!

Have a great week,

Maria Marchionna
