

Children enjoy indoor and outdoor activities

Is your child starting school in 2023?

STEPS TO PREP program starts in Term 3

Children enrolled to start Foundation next year can attend a weekly Steps to Prep session from Term 3 2022.

Steps to Prep helps your child to develop and practise skills that are necessary for starting school. There is a focus on literacy, numeracy, oral language and fine and gross motor skills.

Please contact the office to request enrolment forms, so we can reserve a Steps to Prep place for your child.
